

CONSPIRACY FOR PECUNIARY ENDS

That Is Chief Line of Defense in Alienation Suit at Chatham.

(Special to The Times-Dispatch.)
CHATHAM, VA., January 26.—When the trial of the suit of Mrs. Mattie Simpson against Mrs. Alice M. Miller for alienation of affections of her husband was resumed this morning, the defense attorneys, Messrs. E. S. Reid, of the Chatham Savings Bank, and J. D. Coleman, of the Planters' Savings Bank, were called on to produce evidence to show that the letters found by the plaintiff in the pockets of her husband were similar and must have been written by the same person. They were followed by a few others, after which the plaintiff's side rested. Several witnesses for the defense stated that the plaintiff's husband was dissipated and had been immoral in his conduct. The main line of the defense was to show that the suit was a scheme concocted for pecuniary ends.

So far the defense has failed to impair the testimony of the plaintiff's witnesses. Shaw, the witness followed by, for the defendant, were together on one occasion when the defendant and plaintiff's husband were seen to pass Shaw's store. Shaw stated that they were going in the same direction, while Ivey stated that they were going in opposite directions. Court adjourned at 3:30 o'clock to give the defense time to prepare to refute the expert testimony offered by the plaintiff. The defendant may go upon the stand to-morrow.

CRUSHED UNDER LUMBER.

Freight Brakeman Meets His Death When Trains Collide.
ALEXANDRIA, VA., January 26.—"Ellis B. Grove, a freight brakeman employed at the Potomac Railroad yard, Alexandria county, came to his death by being crushed beneath a car loaded with lumber, which overturned at the yards last night," was the verdict given by a coroner's jury, with Eugene Bruffey as foreman. This afternoon a coroner's jury, after examining a number of witnesses, the jury was unable to determine which train had the right of way of the colliding trains which caused the car to overturn, and they, therefore, did not fix the responsibility.

Grove met his death last night at 9 o'clock, his life being crushed out when two trains came together in the yards, and three of the cars of a shift freight train, loaded with lumber, ran over him. Grove was walking along the track and was instantly killed by being caught beneath the car loaded with lumber, the entire contents falling on him. It was nearly an hour before his body was extricated. Grove was thirty-eight years of age, and born in Strasburg, Va. Besides his wife, several children survive.

TO REPRESENT CHURCHES.

Preparations Being Made for Anti-Saloon Meeting.
(Special to The Times-Dispatch.)
FALLS CHURCH, VA., January 26.—At a largely attended meeting last night at the Congregational Church of representatives from the several churches of the town, Rev. W. S. Thomas, of the Baptist Church, was unanimously elected to represent the churches of the town in the annual convention of the State Anti-Saloon League, which meets in Norfolk on February 9th. Mr. Merton E. Church presided over the meeting, and Rev. Franklin Noble acted as secretary. Mr. George W. Hawhurst gave a report of the work of the league during the year 1908, showing that 825 saloons had been closed during the year, reducing the total number in the State from 1,583 to 758. Five cities had voted Eighty-five of the one hundred counties in the State are without a saloon. Eleven cities have abolished saloons, and 140 of the 162 incorporated towns have done likewise.

Temperance Institute.
(Special to The Times-Dispatch.)
LYNCHBURG, VA., January 26.—Mrs. Howard M. Hoge, of Loudoun county, who is assisted by her husband and a number of Lynchburg ladies, is conducting a temperance institute here, beginning to-night. The institute will continue over to-morrow evening with a night session at the Methodist Protestant Church. The other sessions will be at the Y. M. C. A.

\$7,500,000 St. Louis, Rocky Mountain & Pacific Company

First Mortgage 5 Per Cent. Fifty-Year Gold Bonds

Interest Payable January 1 and July 1. Maturity July 1, 1955
Coupon Bonds Exchangeable for Fully Registered Bonds
Application will be made for listing on the New York Stock Exchange

The bonds are secured by 106 miles of standard gauge railroad of the St. Louis, Rocky Mountain & Pacific Railway, of modern construction and equipment, connecting the Company's coal mines and coke ovens with the Atchison, Topeka & Santa Fe, the Colorado & Southern and the El Paso & Southwestern railroads; and by the coal in a continuous tract of over 800 square miles—being more than nine-tenths of the well known Raton Coal Field of Colfax County, New Mexico. Competent engineers estimate that the Company's holdings contain over 2,250,000,000 tons of high grade coking, domestic and steam coal.

All the coal is of coking quality and is so classified by the United States Geological Survey whose many tests show that the coke compares most favorably with that produced in Pennsylvania and Virginia.

The Company operates 10 modern, electrically equipped drift mines and 398 new standard coke ovens. The output of the former has reached nearly 1,000,000 tons per annum and the annual capacity of the latter is 180,000 tons. This coal and coke is vital to the economic development of the great mining and smelting interests of the Southwest and Mexico. As a domestic fuel and as a steam coal it has broad markets in New Mexico, Arizona, Western Texas, Kansas, Oklahoma and California.

Net income in the fiscal year ended June 30, 1908 was 30 per cent. in excess of bond interest; in 1907, 40 per cent. and in 1906, 28 per cent.

More than \$2,000,000 of the above bonds having been sold or withdrawn for investment, we offer the balance at 95 1/2 and interest, the return on the investment being 5 1/4 per cent.

Full descriptive circular and annual report furnished on application.

News of Petersburg

(Times-Dispatch Bureau.)
Petersburg, Va., January 26.—In the Hastings Court yesterday afternoon two negroes received jail sentences, with work on the public roads attached. The parties are Abe Taylor, for housebreaking and larceny, nine months, and Waverly Rowland, six months for stealing a stove. Walter Porch, white, was given one year jail for failure to support his wife and family, and George W. Dillard, also white, was ordered to give his wife \$3 a week for her support, and was put under bond of \$100 to comply with the order of the court.

Thrown from His Horse.
Mr. D. Caselino, a young citizen of Chesterfield county, while riding horseback on Saturday, was thrown, and the horse, in falling, rolled on the young man, breaking one of his collarbones and, it is feared, inflicting internal injuries. He has been brought to the hospital in this city for treatment.

Master Forrest Aiken, who was shot in the leg several weeks ago by reason of the accidental discharge of his gun, and who has been in the hospital ever since, is said to be in a very precarious condition, tetanus having developed within the last two or three days.
Mayor Jones has appointed Messrs. Ashton W. Gray, Henry L. Plummer and William L. Nufer as delegates to the National Tariff Commission Convention, to be held in Indianapolis, Ind., February 15th-18th. The appointments are made in response to a request by a committee of the convention.

The Turner Art Exhibit will be shown at the Brown Memorial School, in this city, this week, beginning on Thursday, for the benefit of the teachers and pupils of the city and to give the public opportunity to enjoy some of the great masterpieces.

Monroe Lodge, No. 8, I. O. O. F., gave its annual banquet last night in the New Shirley Hotel, East Grand Master James B. Blanks presiding and acting as toastmaster. There were a number of invited guests present, and the occasion was one of real enjoyment.

Trouble Not Yet Ended.
The trouble in the Harrison Street (colored) Baptist Church are apparently far from settled, and the likelihood is that in some form or other they are again to be aired in the courts. At the annual business meeting of the church, held on the 11th of January, at which the Rev. Dr. W. C. Taylor, pastor of the First Baptist Church, presided, both factions were present in full force. Dr. Taylor conducted the proceedings in strict accordance with the constitution and laws of the church. The Tartie followers were in the majority, and selected Tartie as

Now Believed That Sentiment in Bristol Is Against It.
(Special to The Times-Dispatch.)
BRISTOL, VA., January 26.—While it was rumored a few days ago that a petition was being circulated with a view to holding a local option election in Bristol during the early spring, the impression is gaining that it will not be undertaken. Well informed men, who have consulted the list of eligible voters, and who understand the sentiment of the masses, express the belief that such an election at this time would result in a victory for the "drys" by at least two to one. They express the opinion that it would be very difficult to get the required number of signers to a petition to require an election. Up to this time it is not certain that such a petition has been undertaken.

DEVOTE LIFE TO WORK.

Wealthy Bristol Citizen Interested in Evangelical Movement.

(Special to The Times-Dispatch.)
BRISTOL, VA., January 26.—The laymen's forward movement to evangelize the world received quite an impetus in the recent conference here, and will result in the raising of a large fund for the foreign mission work.

The Rev. C. G. Hounshell, a Virginian, who recently returned from Korea, where he has spent several years in mission work, has been authorized by the laymen to represent the movement in the Holston Conference, at Methodist, Episcopal Church, including portions of Virginia, West Virginia and East Tennessee.

Mr. Hounshell, assisted by Major A. D. Reynolds, of this city, will endeavor to raise \$50,000 for the foreign field within the next few months. If necessary, they will spend the entire year in this work.

Major Reynolds, who is perhaps the wealthiest resident citizen of Bristol, has decided to devote the remainder of his life to work of this kind.

ABBOTT CHIEF SPEAKER.

He Will Be Present at Finals of Randolph-Macon.

(Special to The Times-Dispatch.)
ASHLAND, VA., January 26.—President Blackwell this morning made an announcement that Lyman Abbott, editor of the Outlook Magazine, had accepted the invitation to be present at the finals of Randolph-Macon as the chief speaker of the occasion. Dr. Blackwell said that for several years it had been his desire to have Mr. Abbott here for finals, and it was therefore a great pleasure to him now to announce his acceptance.

GOVERNMENT PROPOSED BILL INTRODUCED

North Carolina Legislators Propose Uniform System of Selecting Candidates.

(Special to The Times-Dispatch.)
RALEIGH, N. C., January 26.—A bill to provide a primary law to apply to the entire State was introduced in both branches of the General Assembly to-day by the Senator from the District of Richmond county, and in the House by Representative Cox, of Wake, the purpose being for all parties to hold a primary on the same day, the expenses of the primaries to be paid just as are the costs of the general elections.

Included in the proposed primary method of nominations are all elective State, congressional, judicial, senatorial and county officers by political parties, excepting, of course, the President and Vice-President of the United States. Expression as to choice of candidates for House and Senate can only be taken as expressive of the choice of the rank and file of the party voting. It recognized the present party organizations and committees and continues them and provides the general machinery for holding the primary, being largely the same as for holding regular elections. Candidates before the primaries are to file petitions signed, in the case of the qualified primary voters, by not less than 5,000; congressional by not less than one-half to 1 per cent. of the qualified primary voters in the congressional district, and the county officers by one-half of 1 per cent. of the qualified voters of the party in the county.

No voter who signs the petition for the nomination of a candidate of one party shall be allowed to vote for the candidate of another party for the same office. Before an elector shall cast his ballot, his name and party affiliation shall be announced in loud voice at the polls to give opportunity for challenge, and then the elector shall give his allegiance, is pledged, and he shall prepare and cast it without leaving the polls.

SPINAL CORD SEVERED.

Wounded Man Taken to Hospital for Operation.

(Special to The Times-Dispatch.)
CHARLOTTESVILLE, VA., January 26.—Ben Argenbright, of Christiansburg, Va., who was shot yesterday near Staunton in an altercation with G. H. Haines, of Augusta county, was brought to the University Hospital late afternoon. An examination showed that the bullet severed his spinal cord, and he was operated upon to-morrow by Dr. Watts. Argenbright's case is almost exactly similar to that of Dorsey Tyler, the young telegraph operator, who was shot about a year ago at Augusta Springs. Tyler recovered from the operation performed by Dr. Watts, but his home is not far distant from Tyler's former home in Augusta.

Gets Verdict for \$500.

(Special to The Times-Dispatch.)
RADFORD, VA., January 26.—The most interesting case on the docket of the Hastings Court this month was the suit against the city brought by Miss Lillian A. Farmer, a girl of about eighteen years of age, whose home is Lynchburg. The amount of damages claimed was \$5,000, and the verdict of the court was in favor of the plaintiff. The case grew out of an injury to the girl's ankle, received while visiting her cousins, Mr. and Mrs. W. D. Coffee, in East Radford, last summer. While walking on Norwood Street, she was thrown down by a plank on the sidewalk flying up as a result of her ankle, as the result of another pedestrian stepping on the other end. The ligaments were badly wrenched, causing her much suffering for several months.

After Blind Tigers.

(Special to The Times-Dispatch.)
SALISBURY, N. C., January 26.—The first gang of blind tigers operators since the State went dry were tried before Mayor A. H. Boyden here yesterday. When Will Thompson, Sallie Thompson, his wife, J. E. Davis and Cooper Hayes, colored, were each sent up for trial at the Superior Court in default of bonds aggregating \$1500. For cases were found against each defendant, the liquor having been seized in various quantities on their premises. This marks the beginning of a war on blind tigers in Salisbury.

Thought Gun Not Loaded.

(Special to The Times-Dispatch.)
URBANA, VA., January 26.—A tragedy took place last Saturday afternoon in the neighborhood of Harromy Village, in this county. Three youths, sons of Mr. Berkeley Blake and A. M. Miller, had been handling a gun which had been reloaded, but was thought to be empty. Young Miller pointed it at the son of Mr. Jeter Blake and pulled the trigger, discharging the load, which took effect in the abdomen of the boy, causing his death.

Shepherd a Delegate.

(Special to The Times-Dispatch.)
FREDERICKSBURG, VA., January 26.—Mayor H. Lewis Wallace has appointed a delegate to represent this city at the National Tariff Commission Convention, which meets at Indianapolis, Ind., February 15th, 17th and 18th.

Taste Is Sure Stomach Guide

A Barometer Which Never Fails.

Though Seldom Believed.

"Taste is the direct guide to the stomach, and the taste buds are connected by the nerves with the stomach itself, so that they represent its health or disorder. If the stomach or the nerves which connect it with the stomach are affected by a change in the alkaline or acid condition, and these reach the mouth both directly and indirectly, the taste buds will register the change, and are mounted by hairlike projections called papillae; they cover the surface of the tongue, and when you absorb the liquid, inform the nerves; the nerves inform the stomach, and the stomach informs the taste buds. When your taste for food is lost it is a certain sign the stomach needs attention. St. Louis' Dyspepsia Tablets cure indigestion, flatulence, and weakness of breath, renew gastric juices, enrich the blood and give the stomach the strength and rest necessary to general duty."

Partly thousands physicians use St. Louis' Dyspepsia Tablets, and every doctor will tell you that they are the best food for the stomach. Send your name and address and we will send you a trial bottle of St. Louis' Dyspepsia Tablets. St. Louis, Mo., 150 Stuart Bldg., Marshall, Mich.

In Critical Condition.

(Special to The Times-Dispatch.)
SPOTSVYLDEN, VA., January 26.—Lewis A. Boggs, a prominent citizen and farmer of Loudoun in this county, was suddenly stricken with paralysis on Saturday last, while away a few miles from his home on business, and is now in a very precarious condition. Mr. Boggs is a son of the late Hon. Lewis A. Boggs, of Spot-

Beware of Imitations

Cheap Substitutes and "Just as Good As."

Unscrupulous dealers, mindful only of profit and caring nothing for the health of their patrons, are offering for sale low-grade, impure whiskey, which they tell you is as "good as Duffy's."

It is a cheap concoction and fraud, intended to deceive the people. Of course, when a remedy has been before the public so long, has been prescribed and used by the best doctors and in all the prominent hospitals, and has carried the blessing of health into so many thousands of homes, imitations are bound to arise. But they can imitate the bottle and label only—no one can imitate the contents.

Duffy's Pure Malt Whiskey is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested food in the form of a malt essence, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture, its digestibility for food is perfect. The substances render it so that it can be retained by the most sensitive stomach.

Any firm that will sell imitation or substitution goods will sell impure goods. The firm that is dishonest in one thing would not hesitate to be dishonest in another. Whenever you see imitation and substitution goods offered for sale by a firm, beware of anything and everything put up by that firm. You endanger your own life and the lives of your family and friends by dealing with them.

'BEWARE OF FRAUDS!'
Duffy's Pure Malt Whiskey

is sold in sealed bottles only—never in bulk. A fac-simile of the genuine bottle is printed here so that you may easily recognize it. It is our own patented bottle—round, amber colored and with the name "Duffy Malt Whiskey Company" blown in the glass. The trade-mark—the "Duffy" logo—is on the label, and over the cork there is an engraved paper seal. Be certain this seal is not broken.

It is the only whiskey recognized by doctors everywhere as a family medicine. At all drug stores, grocers, dealers, or direct from the bottle.

FOR IMPROVEMENT OF SWAMP LANDS

Committee Hears Discussion of Problem by Experts and Citizens.

(Special to The Times-Dispatch.)
RALEIGH, N. C., January 26.—The Joint Committee on Agriculture this afternoon heard from experts and citizens interested in the subject of draining and reclaiming the wet, swamp and overflowed lands of the State. The bill under consideration is the one embodying the drainage convention held at Newbern September 9th and 10th of last year. It provides that a majority of the land-owners resident in a proposed drainage district, or the owners of three-fifths of such land, petition the clerk of the Superior Court of the county concerned to have certain territory organized into a drainage district, the clerk of the court appoints drainage engineers and two viewers to make a preliminary examination and report on a day named, of which notice is sent to all land-owners in the proposed district.

At the hearing, if it be decided the drainage is feasible and will benefit the health of the roads, and all the people in the district will be benefited, then the report is referred back to the engineer and the viewers for a complete report and the details of cost and method.

Complete Report Heard.
This complete report heard and determined as was the preliminary report. Then the interested land-owners recommend to the clerk of the court three persons to act as drainage commissioners.

The clerk appoints these three, and they become the body corporate, one of them to be the interested civil and drainage engineer, and the other two resident freeholders; the engineer is to be appointed on recommendation of the State Geologist and paid by the State preliminarily, pay to be refunded when the drainage fund is provided by sale of the lands. The commissioners of drainage are to appoint a superintendent of construction, who shall furnish the clerk of the Superior Court with a report of the cost of the work. If the cost is less than the average of 25 cents per acre on all the land in the district, the assessment is to be collected in one installment, like State taxes. Drains are to be constructed within three years, and any land-owner not wanting to pay the cost of the work may have the land returned to him at the end of three years.

Addressing the committee were J. O. Wright, supervising drainage engineer, United States Department of Agriculture; Colonel E. Pratt, Colonel R. F. Beasley, of Plymouth, Congressman J. H. Small, Colonel E. P. Carter, of Albemarle, and a number of other gentlemen. The committee took the bill under consideration, and will meet at 9:30 Wednesday morning.

Finds Old Book.

(Special to The Times-Dispatch.)
FREDERICKSBURG, VA., January 26.—Samuel H. Beale in looking over some old volumes at his home here found one which had the following inscription on one of the front leaves: "John James Dougherty, Esq., Private Company C, Second Regiment, South Carolina Volunteers, Kershaw's Brigade, McLaw's Division, Longstreet's Corps, Lee's Army, Fredericksburg, Va., January 8, 1863, Confederate States of America. On picket duty." Beale says he will be glad to present the book to Mr. Douglass if this should fall under the eye of any one who may know of his whereabouts, if still living.

Taken Back for Trial.

(Special to The Times-Dispatch.)
DANVILLE, VA., January 26.—Arthur Winslow, a white man, about twenty-four years of age, was arrested here last night as a fugitive from North Carolina. He was taken back to-day by the sheriff of Currituck county, and is wanted at Asheboro for making an assault on a police officer during the Christmas holidays. It is alleged that he knocked the officer down and beat him over the head with a club, inflicting injuries which may prove fatal.

Will Enlarge Plant.

(Special to The Times-Dispatch.)
SALISBURY, N. C., January 26.—The Kessler Manufacturing Company, proprietors of one of the largest cotton mills in Salisbury county, North Carolina, has decided to enlarge the building and plant at once at a cost of approximately \$100,000. The new addition to its building will be 50 by 120 feet, two stories high, and bids for the erection of the same will be called for at once. New stock to the amount of \$23,000 will be sold at once.

At Full Capacity.

(Special to The Times-Dispatch.)
BRISTOL, VA., January 26.—The Crescent iron-rolling mills here, which had been idle for more than a year, are now going practically to their full capacity, and are giving employment to upwards of 200 men, most of them skilled mechanics, receiving high wages. As yet nothing has been done toward repairing the iron furnace.

For Illicit Selling.

(Special to The Times-Dispatch.)
DANVILLE, VA., January 26.—Lester Layne and Joe Canad, young white men, were convicted to-day of being engaged in the sale of illicit liquor, and a jail sentence of thirty days imposed in each case. Mayor Wooding, in his ruling to-day, held that the men were guilty of going out and purchasing whiskey from the illicit liquor joints as well as the operation of the same. The men were charged with the sale of illicit liquor, and the sale of the same was to be tried to-morrow, all of the accused being white men.

Institute in Session.

(Special to The Times-Dispatch.)
ALEXANDRIA, VA., January 26.—A session of the Sunday School Institute was held to-day at Christ Protestant Episcopal Church. A number of subjects relative to Sunday school work was discussed by those present. The session was concluded with service to-night.

Ask for a Meeting.

(Special to The Times-Dispatch.)
FREDERICKSBURG, VA., January 26.—Four members of the board of visitors of the Fredericksburg Normal School have united in a request to Chairman J. S. Peters to call a meeting of the board for February 25th, in this city. It is expected that Superintendent of Public Instruction Eggleston will also attend.

Major's Condition Serious.

(Special to The Times-Dispatch.)
RADFORD, VA., January 26.—Mayor Linkous, who has been critically ill for several weeks, was moved to the home of his father at Blacksburg, yesterday. He was attended by his physician and a trained nurse. Mr. Linkous is very weak, and his condition is considered serious.

Destroyed by Fire.

(Special to The Times-Dispatch.)
JETERSVILLE, VA., January 26.—The large, old-fashioned residence of Dr. J. C. Bragg, was destroyed by fire on an early hour Sunday night. No one was on the premises at the outbreak of the fire but the owner, a man of advanced years.

ATTORNEYS FAIL IN PET MEASURE

Committee Disapproves Bill Giving Them Liens of Judgments for Fees.

(Special to The Times-Dispatch.)
RALEIGH, N. C., January 26.—The Senate Judiciary Committee gives a favorable report for Senator Elliott's bill to require the clerks of the Superior Courts to report to the Attorney-General all regular and special terms of court, number of cases tried, number continued, time court was in session, the causes for adjournment, the purpose being to gather data for the compilation of the next Legislature in redistributing the State.

Senator Elliott is giving attorneys liens of judgments for fees as counsel and to facilitate settlement of executors received unfavorable report. The committee took the view that lawyers had better not strive for legislation that smacked too much of their own benefit. Senator Britt had introduced the next Legislature in redistributing the State.

Favorable Report.

The House Committee on Propositions and Grievances acted favorably on the bill allowing ex-sheriffs and tax collectors of Lincoln county to collect back taxes, with an amendment cutting out the years 1902, 1903 and 1904. Colonel C. E. Childs was here and addressed the committee for the measure. The resolution to pay the expenses of the inauguration committee was examined and passed by the Committee on Appropriations to-day. The inauguration exercises cost a total of \$1,035. The Committee on Education turned down the bill of Representative Perry of Bladen, for the purpose of requiring manufacturers and dealers in coca-cola and all drinks containing caffeine except coffee, the proceeds to go to the public schools. The manufacturers and wholesalers might meet a different fate at the hands of the committee. The bill establishing graded schools at Lenoir County has gone to a subcommittee, composed of Representatives Weaver, Majette and Gordon.

Will Enlarge Plant.

(Special to The Times-Dispatch.)
SALISBURY, N.
